

Referral Incentive for Framework VoIP Clients

Framework IT has grown our business largely based on client referrals, and we want to reward our clients directly for helping us grow!

What is the Referral Incentive Program

Refer an organization to Framework for a Cloud Phone System and if they choose Framework, you will receive either a gift card or an invoice credit based upon your preference.

How Much Can You Expect to Earn for a Referral

When your referral company signs with Framework IT for a Cloud Phone System you will receive an incentive payment, in the form of either a gift card or an invoice credit, according to the following breakdown:

- 5-employee company: \$125 Referral Incentive
- 10-employee company: \$250 Referral Incentive
- 20-employee company: \$500 Referral Incentive
- 50-employee company: \$1,250 Referral Incentive
- 100-employee company: \$2,500 Referral Incentive

How to Provide Framework a Referral

You can use any of the 3 methods on the following page to make a referral to Framework - Whatever is most comfortable for you!

How to Provide Framework a Referral

1) Share our Information with your Referral

- Provide your referral with our contact information below and allow your referral to initiate contact.
- Please be sure to email info@frameworkit.com to notify our team you made a referral so we can track appropriately and ensure you receive your referral incentive.
- Phone: 312-564-5446
- Email: info@frameworkit.com

2) Make a Warm Introduction via Email

- Make a warm introduction between your referral and our team by emailing your referral to introduce them to Framework.
- Copy info@frameworkit.com on your email to your referral.

3) Send Us the Referral Contact & Have Us Reach Out

Submit the referral organization's contact information to Framework (info@frameworkit.com) so we may initiate contact. Be sure to include:

- Company name
- Point of contact name
- POC Email
- POC Phone

Please let us know if you have any questions about our Client Referral Incentive Programs!
